Find Books for Curbside Pickup in 4 Simple Steps

You can't order books from other libraries, but you can take books from your library.*

1. Go to www.tracpac.ab.ca
2. At the top left of the screen, click "library". Scroll down and select your local library (Wabamun).
3. Immediately below the centre search bar, click the arrow beside "All formats", and click "All formats at this branch".
4. You're ready to search for books that are only at your library for curbside pickup. Call or email to request materials. Feel free to contact us for help with any step.
